Books by Mail is a service available to all residents who have a valid library card from any Newaygo County Library but are unable to visit a library due to a temporary or permanent physical condition, age or infirmity.

Please call the library to get a Registration Form. On completion and approval of your registration, you will receive 3–4 books based on your reading preferences. When you are finished, just flip the address card over, and mail the materials back to the library in the special mail bag. No postage is required.

There are no late fees or due dates. You will continue to receive shipments until your condition improves or you are no longer interested in participating in the program.
